

TECHNICAL DATA SHEET

Glycerin Monosterate 40P

Properties and Application

Having emulsifying, dispersing, stabilizing, anti-foaming, anti-static, film and anti-aging of starch. Can effectively improve the flexibility, plasticity and antistatic property.

Technical Date

Test Item	Specification	Results
Appearance	Milky white or pale yellow solid	Milky white or pale yellow solid
Glycerin Monostearate Content %	≥ 40.0	41.20
Iodine Value (gI ₂ /100g)	≤ 1.5	0.3
Acid Value (mg KOH/g)	≤ 5.0	0.6
Free Glycerol %	≤ 7.0	4.80

Packing and Storage

25kg/bag.

Store in a dry, ventilated warehouse. Avoid sun and rain. Handle lightly to prevent damage to the package.
